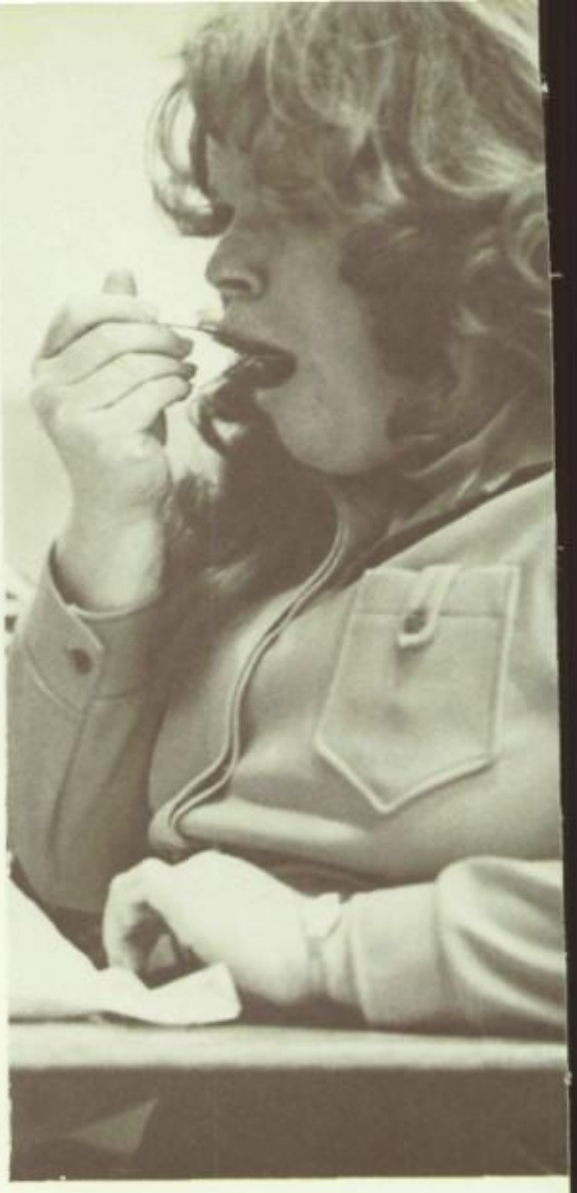
SEASONS IN THE SUN

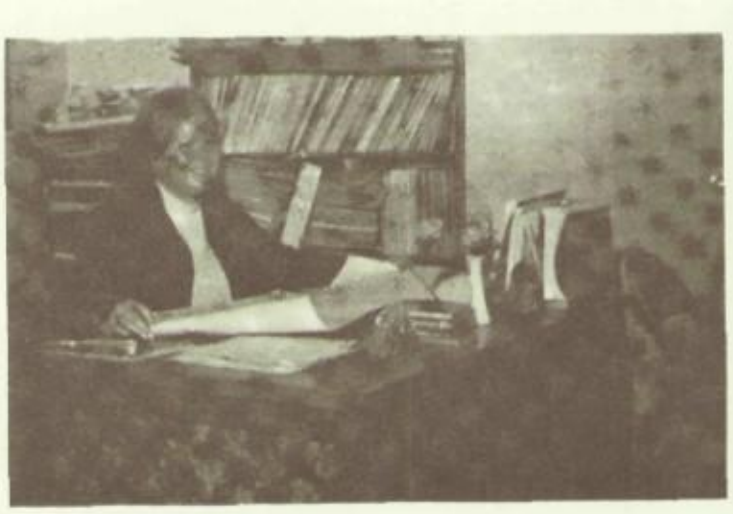
As the class of 1979 approaches their SPRING into the future; they have captured some of their fondest memories. Memories of WINTERS and losers. But don't FALL for all these treasures, because SUMMER good and some are bad.

We offer you - "SEASONS IN THE SUN"

We the Class of 1979 wish to dedicate our yearbook to the person who for five years beared with us. She has spent endless hours of her time with pizza sales, car washes, Thanksgiving dinners, and "Disco Inferno". She put forth a total effort to pull our class together during good times and bad.

Mrs. Oles you have been a teacher, a leader, and most of all a friend. In acknowledgement of your dedication we honor you with "Seasons in the Suns".





A TOAST TO YOU

Class Motto: I'm Not Afraid Of Tomorrow For I've Seen Yesterday And I'm Living For Today

---

Song: The Long And Winding Road

Flower: Blue Tipped White Carnation

Colors: Light Blue And Dark Blue

Class Poem

On the winged feet the four years pass
And now we honor our Senior Class.
Beyond these walls, this town, this state
A whole new world now lies in wait.
We've much to learn, we're often told
Wisdom to gain before we're old.
But, tonight, before we turn and go
Our seperate ways, as well we know,
Enjoy this place, these hours, this school
In memory they'll return to you.

Varsity Girls' Basketball saw 1978 as an "up and down" year. The young Wildcats exploded early, running up a seven game winning streak, but as the season progressed victories became more scarce and WHS ended with a 12 win and 8 loss record. But Walkerville has a talented group of underclassmen. The 1978 J.V. squad compiled an impressive record of 17 wins against only one loss. Add to this, seven returning letter winners and it's optimism for the future.

JV BOYS' Basketball

JV BOYS

The 1979 edition of Walkerville JV Boys took a giant step forward after a dismall record in 1978. Coach Papes and his crew recorded 12 wins aganist 8 losses and finished in second place in the league. The Junior Wildcats showed consisted development through the season and have proven themselves as a team with a bright future.

VARSITY BA

The 1979 Varsity Boys Basketball season began on a very optimistic note as the Wildcats were chosen to win the league. A few intangables added to a couple of sports of bad luck kept this historical athletic mark from being achieved. The Wildcats ended the season with a 11-9 record and their preannual second place sport in the WMD League. John Tanner led the team in both scoring and rebounding this year and he was complemented by three other Seniors- Cary, Tim, and Lolis- to the fans delight, Coach Millspaugh's squad merged to go through their 1979 Basketball campaign with only one loss on the home court.

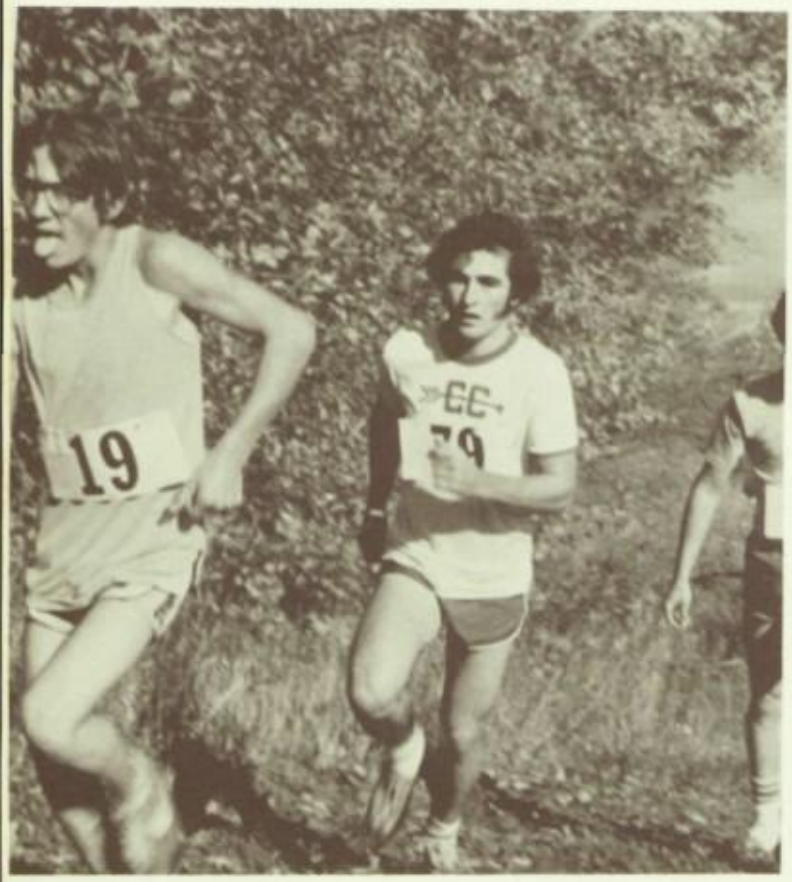
CROSS COUNTRY

"Spice of life??"



Walkerville's 1978 Cross Country team ended the year in high fashion. Under Coach Primozich the Wildcat runners finished 2nd in the MCE Invitational, 2nd in the WMD Conference, and 5th in the Regional. Also in 1978 Walkerville established itself as a State Wide Power. Throughout the 78 campaign Walkerville was rated in the top ten Class D teams in Michigan. The standout on this team was Sophmore Randy Payne. He established course records and was the number one runner in both the Conference and Regional meets. Randy brought pride and glory to WHS when he placed 5th in the State Meet and became the first Wildcat Cross Country All-Stater.

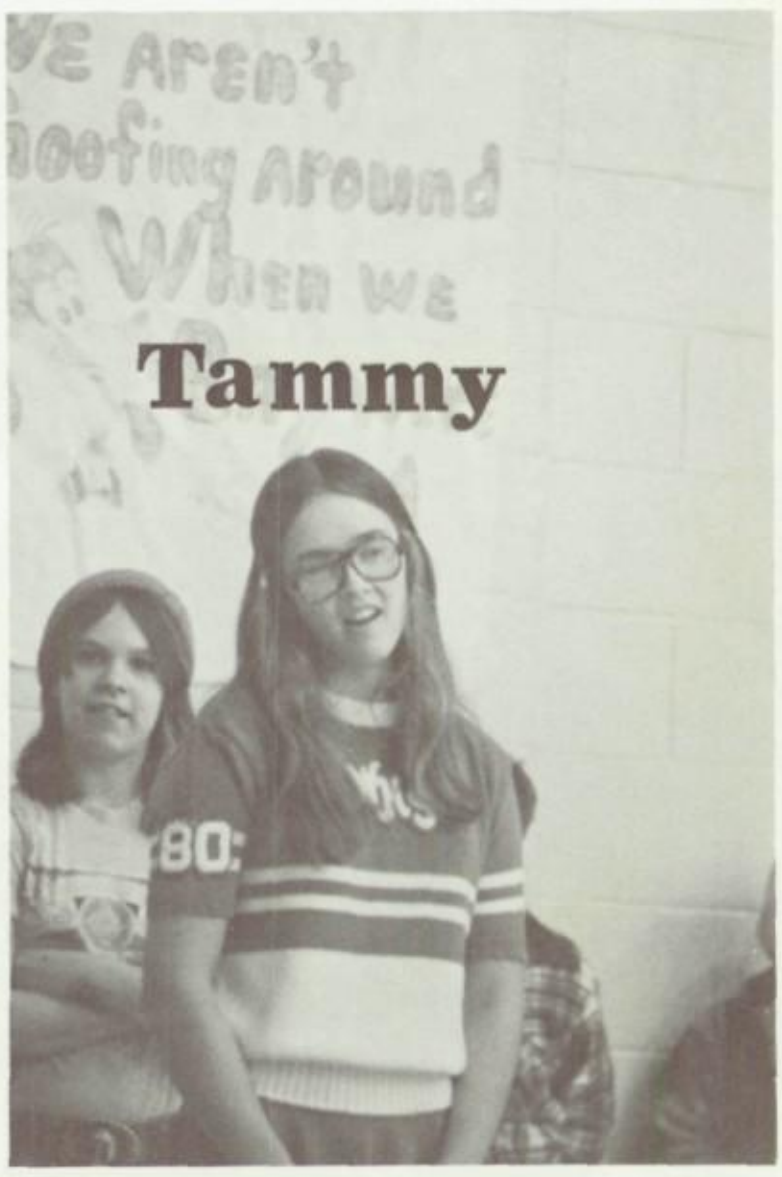
CHEERLEADERS

A dash of this; a dash of that



Tuned In

1979 saw the emergence of a band program at Walkerville High School. Authorties claim that nearly 50 years have past since Walkerville last attempted to make its mark in the world of music. This year's high school band is made up of 32 members from grades 7-12. Under the direction of Miss. Kay Parker this group of novice muscians performed at the annual Christmas program and there are plans for a Spring Concert plus parade marching this summer. Due to the fact that a large number of people have invested money in the band, this program promises to become a service of community pride in the near future..
